Dear Members,

The holidays are not even here yet and we're already in a very celebratory mood.

The fun begins this Sunday with the first Tailgate of the season, featuring Parm, and carries all the way through the end of the month, when we'll host a truffle dinner so grand it defies description.

Details below. We'll see you at your club.

Warmly,
Jeff, Mario, and Rich

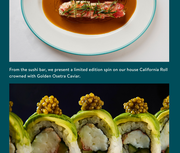
FROM THE KITCHEN

King Crab

Live Alaskan King Crab: it's one of the most delicious seasonal delicacies on the planet, and it's now on the menu at your club. The culinary team has just unveiled a serving of roasted king crab in an unbelievably indulgent lobster sauce.



From the sushi bar, we present a limited edition spin on our house California Roll crowned with Golden Osetra Caviar.

FROM THE BAR

The Nigori Torreador

Please welcome to the bar The Nigori Torreador. Featuring Blanco tequila, sake, apricot, and ginger, this play on the 1930's London cocktail is essentially a damn fine margarita with a ZZ's twist.

RESERVATIONS STARTING AT 7:30 PM

On Tuesday, October 28th, one of our favorite events in New York is making its way to Miami: THE WHITE TRUFFLE BACCHANALIA, celebrating the start of Alba Truffle Season. To accompany a special six-course Italian dinner menu, Members will be invited to handpick their own truffle from a bounty of the very finest and first of the season.

We are honored to welcome PAOLO MONTANARO, Owner of TARTUFLANGHE, who will be onsite all night long sharing truffle-ish style on every dish to hit your table.

Our expert Sommelier team will be ready and waiting to help you select the finest Barolos and Barbarescos that Alba has to offer to pair with your truffle, or anything else your heart may desire from our extensive wine cellar.

Trust us, this is an event you won't want to miss. Reserve now as seating is limited.

CARBONE LONDON RECAP

As you can tell from these photos from the grand opening, a very big dream of ours finally came true: CARBONE London is officially open in the heart of Mayfair. This labor of love brings together design by Ken Fulk, art from the likes of Ai Weiwei, and a team of the best and brightest in our family. We hope to have the honor of welcoming you very soon. Reservations are now open.

CARBONE DUBAI OPENING

Now that we've taken London, it's time to bring the wonders of CARBONE to Dubai. Later this week, we'll be opening a breathtaking location in one of the city's most jaw-dropping buildings– Atlantis The Royal. Stay tuned for the big reveal.

NO. 1 STEAK

Meanwhile in Dallas, we've been having an absolute blast since debuting No. 1 STEAK. Every Thursday, Friday, and Saturday, we turn the Salelle's space at No. 1 Highland Park Village into a seductive "steakeasy" featuring some of the best meat and martinis anywhere. Something tells us this concept will be popping up elsewhere in the future.
