

June 1, 2026

Dear Members,

We hope that you and your families are enjoying the first tastes of summer.

Your Club is ready to serve as your haven — the place that's always there when you need to escape the heat. We'll start off the season watching the NBA Finals, sipping on our magnificent new Mezcal-inspired cocktail, the Division Bell, and dining like kings and queens. We also have a new monthly mahjong tradition to look forward to come Fall, thanks to the success of our Mother's Day session with "Mahj Boss" Rachel Weissman.

Meanwhile in Coconut Grove, we suggest making our new Major Wellness menu, designed in collaboration with Bonberi Founder Nicole Berrie, part of your routine. More on that below.

Warmly,
Jeff, Mario, and Rich

"And what is so rare as a day in June? Then, if ever, come perfect days."

FROM THE KITCHEN

This month, we highlight dishes that are over-the-top in all the right ways, elevating exceptional ingredients to extraordinary heights.

First up is our Moo Shu Short Rib: an abundant cut of short rib prepared with a pastrami brine and galbi marinade, served with steamed Mandarin pancakes, housemade pickles, and chili crunch for building the perfect bite.

Then there's our Whole Steamed Lobster, finished with ginger yuzu butter and served alongside five signature ZZ's sauces. Grand, decadent, and absolutely worth ordering for the table.

Stay tuned this summer, there's much more where that came from.

FROM THE BAR

Division Bell

Sitting somewhere between a Last Word, Paper Plane, and Naked & Famous, the Division Bell was first popularized at the legendary Lower East Side bar Mayahuel. Our version highlights the beautifully balanced character of Siete Misterios' Doba-Yej Mezcal, with layers of bright citrus, orange zest, and dark cherry from Aperol and maraschino liqueur. Smoky and vibrant, this drink is a standout on summer evenings.

Major Wellness

Following the celebrated launch of Nicole Berrie's Major Wellness menu at Sadelle's Coconut Grove, we're delighted to share that the signature collection is now a permanent offering. In classic Berrie fashion, this exceptional selection of Montauk General matcha lattes, grass-fed frappe, and artisanal smoothies brilliantly blurs the line between wellness and indulgence. Nearly every component across the menu is made in-house – from the nut milks and syrups to the fruit bases themselves. The Grove has officially entered a new era of wellness.
