ZZ's Club Newsletter

Miami, FL

Dear Members,

We hope that you are as excited as we are to welcome the spring.

In just one month, we'll be seeing so many of you at American Express Presents Carbone Beach. In keeping with tradition, the details of the lineup will be a closely guarded secret until each icon takes the stage—but we can confirm that the program will be totally different from last year, and even more unbelievable.

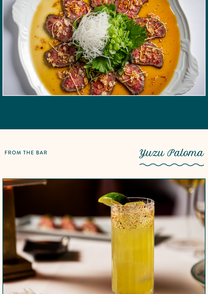
Meanwhile, at your club, the rarest and most prized wagyu in the world is now on the menu: Sendai beef. Sourced from the Northern Japanese city that hosts the Wagyu olympics, Sendai makes up a mere .05% of the country's beef; only 5,000 cows per year are bestowed this designation. The cattle are raised on barley and Sasanishiki rice, producing extraordinary flavor and unparalleled marbling.

Our team is proud to feature Sendai in several interpretations, which we'll tell you about below.

Warmly,
Jeff, Mario, and Rich

FROM THE KITCHEN

Sendai Beef



At ZZ's, the kitchen presents a decadent Sendai New York Strip tataki-style, with apple ponzu, crispy garlic, scallions, and daikon. Meanwhile, the sushi bar offers the Sendai in two forms: as a handroll that highlights the beef at its purest, with caviar and chives; and as a nigiri of gently torched and caramelized beef dressed with ponzu sauce and crispy shallots

FROM THE BAR

Yuzu Paloma

The perfect cocktail for springtime is the Yuzu Paloma. It's an original, Japanese-inspired take on a Mexican tequila drink that typically combines tequila, grapefruit soda, and lime. In our version, the soda is crafted from vibrant fresh yuzu citrus. The yuzu transforms the drink into a beautifully refreshing highball with subtle savory notes—one that pairs wonderfully with the acid and spice in our cuisine.

MEET THE TEAM

Andrew Estrada

New York native Andrew Estrada has served as Restaurant Manager at ZZ's Club for over two years, playing an instrumental role in shaping our culture of unparalleled service. But he began his career all the way back in high school as a chef in fast-paced Manhattan kitchens. He attended culinary school at Johnson & Wales University before joining Patina Restaurant Group, where he shifted gears and wound up serving as restaurant manager at eight of the company's concepts. He has a passion for his craft, which explains why he spends most of his free time visiting new restaurants.

It is almost time for the most major weekend of the year: the 2024 edition of American Express Presents Carbone Beach returns to Miami from May 2nd through May 5th. We are literally counting the days, and we can't wait to celebrate with you.

The team is working tirelessly to put the final touches on every last detail. Mario and his most trusted chefs are orchestrating a menu for the ages, and the secret lineup of icons who will grace the stage every evening is going to make for an experience we couldn't be more excited to witness with our dearest friends.

To join us, we encourage you to make arrangements at your earliest convenience; Saturday, May 4th is already sold out. We look forward to seeing you at our legendary supper club in the heart of the Magic City.
