Dear Members,

High season is officially upon us and already, our favorite part of the Miami year is a delight.

For all who joined our October's ZZ's Sunday Tailgate, thank you! We are excited to announce that we are continuing the series on Sunday, November 10 with special guest, Parm Famous Italian.

Join us this month the restaurant to experience Nantucket Bay Scallop season, which we are celebrating with the best examples you can find. Come by The Sports Bar and take in all the basketball, and football you can manage. Drink a 'Bring The Heat' or two while you're at it, and save the date(s) for the stellar lineup of events that await us throughout the rest of the year.

The list we've included in this edition of the newsletter is only the beginning.

Warmly,

Jeff, Mario, and Rich

FROM THE KITCHEN

Scallops

November 1st means that the finest scallops in the world are now in season—and we're thrilled to report that our friends at the legendary Island Creek Oyster have delivered their first parcel, straight from the icy waters of Nantucket Bay. Roughly twice the size of the average bay scallop, this prized variety offers the perfect balance of texture and sweetness, so much so that many fans savor the scallops raw right out of their shells.

Mario and our chefs are kicking off the season with a vibrant scallop crudo featuring passion fruit, pickled chilis, and avocado. From the sushi bar, enjoy a seared scallop hand roll with trout roe and rice. For a final touch, savor a scallop skewer glazed with sukiyu miso butter, cooked over the binchotan grill.

Meanwhile, there is a luxurious preparation of hand-seared bay scallop with a white truffle butter and even more truffle shaved on top.

FROM THE BAR

Bring the Heat

As the NBA season begins, Nathan and the bar team are 'Bringing The Heat'. This spin on what might be Miami's favorite drink, the spicy margarita, combines Blanco tequila, Aperol, habanero-infused agave, and Triple Sec. The use of Peychaud bitters adds to the complexity and balance. But at the end of the day, Nathan says the best way to describe it is "margarita meets tequila sunrise: a drink that's very, very easy to love."

ZZ'S SUNDAY TAILGATE SERIES

Thanks to everyone who joined us last month for our first ZZ's Tailgate featuring Chateau ZZ's. The Cincoro cocktails were flowing, Chef Mario & the team cooked up some incredible tacos & Game Day specials on the outdoor grills, and we had a great time kicking off the football season at the Club.
