FITLER FOUNDATION

ABOUT

Making an impact beyond its walls has always been central to Fitler Club's mission. From the start, the Club was envisioned not just as a gathering place, but as a catalyst for positive change in Philadelphia. When Fitler Club opened in 2019, it brought this vision to life by founding the Fitler Foundation, with a mission to orient the Club's resources toward high-impact philanthropic opportunities.

Fitler Foundation's first major initiative was the Artists in Residence program, which provided a platform to some of Philadelphia's most talented emerging artists, showcasing their work and connecting them with new audiences. Even when COVID-19 forced the Club to redirect resources and navigate unexpected challenges, the Artists in Residence program not only endured, but flourished. Now entering its fourth iteration, Artists in Residence has become an integral part of Fitler Club and Philadelphia's vibrant art scene.

In 2023, Fitler Club appointed Dr. Kimberly McGlonn as Vice President of Social Impact, renewing its commitment to enacting positive change in Philadelphia. Under her leadership, the Club launched its Social Impact Agenda, and in less than a year, over 400 Fitler Club members and staff participated in events centered around learning, volunteering, and giving. One special highlight was the Sneakerball, an event that raised over $10,000 for the Fund for the School District of Philadelphia.

Moving forward, the Club will continue to expand its impact programming, and the Fitler Foundation will relaunch with a deeper sense of purpose, an invigorated board of directors, and compelling programs that align Fitler Club's values and resources with the most pressing needs of its city.

THE FITLER FOUNDATION

OUR MISSION

The Fitler Foundation aims to activate the resources of Fitler Club to:

1. Support innovative nonprofit leaders (and their agencies) whose work creates a measurable positive impact in the Greater Philadelphia area.

2. Amplify emerging artists based in the Greater Philadelphia area.

The Fitler Club Impact Residency
presented by The Fitler Foundation

This first-of-its-kind residency seeks to publicly recognize the achievements of high-impact local leaders and support their well-being.

The selected cohort will consist of Philadelphia-based nonprofit & B Corp leaders advancing innovative responses to our city's most pressing social and environmental issues.

In recognition of the personal wellness challenges facing this community of leaders, the Fitler Foundation is excited to affirm and honor their work by providing them with personal and professional support.

EACH RESIDENT WILL RECEIVE:

- Fitler Club membership for the duration of the residency
- Staycation package
- Executive coaching and mentorship
- Curated personal wellness library
- Personal training package
- Personalized dietitian package
