

Discount Credit Card Supply Takes Security to a Whole New Level through Enhanced Encryption and Deployment Services

November 13, 2018 (Highland Park, IL)– Discount Credit Card Supply (DCCS) is pleased to announce the growth and expansion of their PIN Pad Encryption and Deployment Service offerings by becoming a certified Encryption Service Organization (ESO).

DCCS is taking security to a new level by increasing their control and further protecting customer data. In the new dual-controlled Encryption Facility, DCCS provides various key injections on-site for all major POS equipment. And best of all, customers can enjoy this new and improved service at the same low price and with quicker turnaround time--including same-day service!

DCCS follows all Encryption and Support Organization standards. They are audited annually by an outside Auditing firm -- certification is readily available as requested. DCCS maintains strict security over their encryption equipment which is compliant with the current ANSI X9.8 and ANSI X9.24 standards.

DCCS is also expanding their Deployment Services which include warehousing equipment inventory, welcome kits and collateral material and guaranteed same-day shipping, with tracking and fulfillment information reported nightly.

“Discount Credit Card Supply has always been a dependable one-stop shop for premium technology, top-notch quality control and responsive customer care” stated DCCS President Adam Kaplan. “With the addition of the certification and expansion of our Deployment Services, we are progressing to an elevated platform which allows us to service our customers at a peak level. The combination of encryption and deployment with our repair service gives customers a breadth of technology performed and ensured by skilled technicians.”

"Over the years we have worked with many different 3rd party vendors for POS related items and services" commented a longtime ISO customer. He added: "We believe that DCCS goes above and beyond for all deployment requests. Whether they are holding our company-owned stock, or providing new or refurbished gear, encrypted properly, they consistently deliver on time to the correct storefront. Having a value-added partnership with DCCS has helped streamline our sales staff and enhanced our customer relationships."

For three years in a row, Discount Credit Card Supply has ranked in the annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies in America. This trifecta is a truly extraordinary accomplishment. Of the thousands of companies that have applied to the Inc. 5000 over the years, a mere one in five have made the list three times!

Discount Credit Card Supply (DCCS) supplies new and refurbished point of sale processing equipment to agents, ISOs, wholesalers, and merchants of all sizes. DCCS has a full-service

refurbishing center, paper roll supply warehouse, deployment, same-day shipping services, rentals and software solutions. DCCS services accounts nationwide and across all industries.
