

Updated COVID-19 Policy

EFFECTIVE 6/11/2021

mHUB Members,

Tomorrow, June 11, 2021, we reach a major milestone as Illinois and Chicago move to [Phase 5 of the reopening plan](#). This plan puts the onus on private businesses to create guidelines that serve the unique needs of their communities. We appreciate your understanding as we continue to keep all members of our community safe while we ease mask requirements. mHUB will continue our mask policy as follows:

Members:

- **If unvaccinated, masks are required at all times in the building, per CDC guidelines, except when eating in the event space**
- If vaccinated:
 - Mask required
 - when moving throughout the building including in all restrooms
 - in mHUB Prototyping Shop
 - Masks NOT required when you are seated in co-working, reserved desk, offices, and conference rooms

Visitors will be required to remain masked at all times except when eating in the event space.

All members should feel welcome to continue wearing a mask, regardless of vaccination status. Members must be respectful of others in the community and their right to choose to keep a mask on. If someone approaches you with a mask on, please wear one as well.

If you have not yet completed the vaccination survey and would like to participate in the above policy

changes, [please complete the survey here](#). If you have not completed the survey you will be required to wear a mask at all times.

mHUB staff will work with members to ensure a safe and efficient rollback. We will revisit the policy at the end of the month to assess additional changes in alignment with City and State guidance.

I am available for any questions or needs you have. You can reach me and any mHUB team member via [email](#), Slack, or phone.

All the best,

Chelsea Biggs

Director of Programs and Engagement
